

Service Sector Natural Gas Road Show Presentation Series

Alberta's Natural Gas Industry: Challenges, Opportunities and Impacts on our services sector...

Topics will include:

- The natural gas market in North America and its impact on natural gas production in Alberta
- Challenges to the natural gas industry and service sector in Alberta
- New and emerging technologies for natural gas and how Alberta can remain competitive
- Emerging opportunities in your neighbourhood and prospects for the future

Who should attend: direct and indirect service sector/industries, and land owners (agriculture related)

With guest speaker Mike Dawson,
President of The Canadian Society for Unconventional Gas
